

- 8 compass points close up (**1000 AGL preferred; 1500 AGL OK**)  
(site as outlined should be centered and mostly fill the frame)
- 2 distinct sets of **8 compass points showing horizon (2000 AGL preferred; 1500 AGL OK)**  
(site should be centered and about 2/3's down the frame)
- We need all 24 views!
- If you are comfortable doing so, please get a near vertical overhead view of the site
- We need sunny or mostly sunny skies. There should be **NO** cloud shadows on the site itself.
- Please deliver raw files only electronically

- Please do not shoot close-ups and wide angle shots in the same orbit.

- **DO NOT** shoot before 10 am local time Mon-Sat or before 11 am Sunday

**Circle K**  
(may be construction site)  
**NEC of Augusta Hwy**  
**and Wise Ferry Rd**  
**Lexington, SC 29702**

**\*\*Traditional aerials\*\***  
1000 AGL for close-ups;  
1500-2000 AGL for wide  
shots. No drone photos!
